# ELECTRIC DRYERS

## Harness the Power of Steam

LG TrueSteam™ technology uses a steam generator to produce real steam right into in the dyer giving you unique cycle options that remove wrinkles, odours, static and allergens.

## The Quick Fix

Late for the party and no time to iron your favourite outfit? The SteamFresh™ cycle refreshes and reduces wrinkles in up to five garments at a time with one 20-minute dryer cycle.

## Refresh and Sanitize

SteamSanitary™ cycle refreshes and sanitizes dry items in the SteamDryer. The SteamSanitary™ cycle kills bacteria on your clothes and is great for decorative pillows and other non-washable items.

## Less Time with Your Iron

Who likes ironing? No one. The EasyIron™ option lightly moistens clothes to make ironing easier and more efficient.

## Never Clingy

That stowaway sock won't be attached to your pant leg any longer. The ReduceStatic™ option virtually eliminates static cling.

## Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.
